

It is wrong for SINCLAIR BROADCASTING GROUP (SBG) to air the informational media work STOLEN HONOR on its stations so close to the end of the Presidential decision process and vote on Nov. 2 2004. Every attempt should be made to stop this biased ploy to gain an edge for the party they support. The airwaves must remain neutral during this time. SBG is using its influence of ownership of stations to sway votes to their candidate of choice. This MUST NOT be allowed to happen. Thank You, Edwin C. Schelich
